

WEB DEVELOPER

I am a self-motivated web developer with a strong passion for learning new skills. My personal endeavors have taken me from game creator to graphic designer to web developer—with many steps in between. I love tackling new challenges and finding creative solutions to complex problems.

SKILLS

HTML • CSS • Vue.js • Javascript • jQuery • Bootstrap
Ruby • Rails • React • Redux • Git • PostgreSQL
Adobe XD • Photoshop • Illustrator

WORK EXPERIENCE

UTAH JAZZ - Professional Sports Organization

Web Developer (March 2017–Present)

- Design and develop responsive, public-facing web pages with a strong focus on usability and experience
- Translate mock-ups from the graphic design team into responsive web experiences
- Implement new strategies for site personalization and A/B testing

KEY ACCOMPLISHMENTS

- Developed the highly successful Utah Jazz-themed game Super Rudy Block (utahjazz.com/games/srb)
- Rewrote the bulk of the Utah Jazz home page into reusable, dynamic components powered by various NBA provided APIs and custom JSON feeds
- Learned and then implemented Vue.js into many high-traffic portions of the Utah Jazz website, including the season ticket sales page and single-game tickets page

TURNING POINT CENTERS - Residential Addiction Recovery Facility

Program Manager / Staff Director (June 2012–October 2016)

- Managed 15 employees and ran monthly staff meetings to ensure consistency and quality
- Conducted interviews, hired new employees and oversaw their training
- Solved logistics for client activities, including: transportation, reservations, staffing, etc.

KEY ACCOMPLISHMENTS

- Reduced monthly overtime from 15% to less than 2% by revamping scheduling protocols
- Created a strong, lasting culture of camaraderie between the clinical team and support staff

EDUCATION

DEVPOINT LABS - Intensive full-stack web development course

(October 2016–January 2017)

- Focused on Ruby, Rails, React and Redux
- Led separate teams to victories in both class hackathons
- Mentored my peers when they were in need of coding assistance
